

Denture Storage Boxes

Our denture storage boxes make an excellent container for patients with dentures or other dental work

About Denture Storage Boxes

Made of low density polyethylene, our denture storage boxes make an excellent container for patients with dentures or other dental work, such as an athletic mouthguard. The box is strong, protective and lightweight.

DENTURE BOX IMPRINTING

We provide personal imprinting for this product. On a 1" (25.4 mm) in size box there is room for a name and phone number. Logos can also be printed, but you must mail or email a black and white original version of the logo. We have a variety of print colors, although, we recommend gold or black. We also can accommodate various fonts.
