Lab Work Pans

Organize your laboratory!

About Lab Work Pans

Lab Work Pans are a great way to organize your laboratory. As cases arrive, sanitize the impressions or appliances and place them in lab pans to protect them from contamination. The pans are offered in a variety of colors, so they can be easily organized. Use a different color tray for each day of the week or try using a different color tray for ingoing and outgoing work.

Size: 7" x 5" x 2-1/2" (177.8 x 127 x 63.5 mm)
