

Safety Data Sheet

according to the Commission Directive 91/155/CEE and 93/112/CE

550 Isolating Liquid

1. Identification of the Substance/Preparation and of the Company/Undertaking

1.1. Identification of the Substance/Preparation

YETI LUBE Isolating / Separating liquid
article no. 550-0060, 540-0250, 550-0000 (isolating pen)

1.2. Company Identification

YETI DENTALPRODUKTE GMBH
Industriestr. 3, 78234 Engen, Germany
Tel.: 0049 - 7733 / 9410-0; Fax.: 0049 - 7733 / 9410-22

2. Composition / Information on Ingredients

Sodium tetra decansulphate, diethylene glycol diethylether, glycerol.

3. Hazards Identifications

Skin irritant, corrosive, slipperiness.

4. First-Aid Measures

After inhalation provide fresh air. If skin gets in contact with the product rinse off with water and soap, take off soiled clothes. If eyes get in contact with the product rinse with plenty of water and consult ophthalmologist.

5. Fire-Fighting Measures

- fogging water
- dry chemical fire extinguisher
- foam
- carbon dioxide

6. Accidental Release Measures

Absorb with liquid soaking material and dispose according to local current regulations. If necessary consult local authorities.

7. Handling and Storage

7.1. Handling

Ensure a good ventilation.

7.2. Storage

Keep container / bottle closed. Store and transport dry and cool.

8. Exposure Controls / Personal Protection

General precautions for safety and hygiene. Wash hands after work and before eating. Keep away from food and beverage. Do not smoke, eat or drink during work. Avoid contact with skin or eyes.

9. Physical and Chemical Properties

Appearance:	liquid
Colour:	colourless

Odour: characteristic, lightly pungent
Density: approx. 1,1 g / ccm
Solubility: water soluble

10. Stability and Reactivity

Dangerous reactions not expected if stored and handled properly. Avoid heat, flames and sparks.

11. Toxicological Information

Any contact with eyes, skin or mucous membranes can cause reddening and irritation. Inhalation of gases can cause irritation on the respiratory tract.

12. Ecological Information

Do not pour into sewerage system.

13. Disposal Considerations

Disposal according to local current regulations of responsible disposal authorities.

14. Transport Information

No transport regulations for this product to our actual stand of knowledge.

15. Regulatory Information

None

16. Other Information

The statements of this Safety Data Sheet correlate to our stand of knowledge and experiences at the date stated below. Flawlessness, reliableness and completeness is not warranted by the publisher.
